HOUSE OF COMMONS  
LONDON SW1A 0AA

19 October 2023

Dear Headteacher,

I am inviting children from all Island primary schools to take part in my 2023 Christmas Card Competition.

This exciting competition gives the children an opportunity to showcase their artistic skills and the winning design will be used as my digital Christmas card this year.

The deadline for all entries is Friday, 24 November 2023 and the winner will be announced the following week. Schools will be responsible for collating the children's artwork and sending them to my office. All entries can be sent via email to [iowmp@parliament.uk](mailto:iowmp@parliament.uk) or posted to my office at: Office of Bob Seely MP, Northwood House, Ward Avenue, Cowes PO31 8AZ.

Please note that the winner's name, age, and school, along with their design, will be published in the media. I may share other children's designs, and these too may be made public. There is a tick box option in the entry form which gives consent for the child's details to be shared in the media. Please do not tick if details are to be kept confidential.

I look forward to seeing all the children's creative designs and thank you in advance for taking part.

Yours sincerely,

Dr Robert Seely MBE MP
